Rapier V1 is an 9 button USB laser gaming mouse with 7 of the button programmable. With on board data store technology macro, key board and mouse functions can be saved directly to the mouse by using the Gamer Toolkit Software included in the pack.

Rapier V1 has 2 modes, Standard & Gaming. The 7 buttons can be redefined (programmed) under Gaming mode and then used on any PC without the need for the software giving full portability of your favourite game settings.
